

# November Reno Update

Dear Praying Friends,

Happy Thanksgiving to each of you! We are looking forward to having our parents with us for Thanksgiving this year! As we look forward to sharing this holiday with family and friends we have been reminded of how much the Lord has done for us!

Robynn has struggled since June with infections. She had shingles first and then what we thought was a relapse was actually a skin infection that needed to be treated with an antibiotic. Thank the Lord after three long weeks she is finally starting to feel better.

For quite some time we have prayed about putting a copy machine in the library to help with operating expenses. A friend of Robynn's has graciously donated a copier that Dad and Mom will bring with them. Please pray for Dad and Mom to clear customs with no problems.

John and family are headed to a little town called Sao Luis on Thursday. They are looking to start an outreach there. Friday, on their way back to Salinas, they are planning to stop to pass out tracts in the little village where he has the scripture sign. Please pray for safety, good health and open hearts.

Saturday evenings we are having prayer meetings for the El-Shadai Bible Church. We are facing difficulties with a lack of commitment and dissension. Please pray much for us and for the meetings Dad will be holding this month.

Love,

The Renos in Brazil
