

May 2012 Reno Update

Dear Praying Friends,

Last month we shared about the great open door the Lord has give John and Fernanda in three interior villages. As so often is the case when the Lord is blessing, they encountered some obstacles this past month. John and Fernanda were told the house they were using in Sao Luis for meetings as well as a place to stay and work from during their time in the interior would no longer be available. With extremely heavy hearts, they went back to the villages to tell them the dates they had previously planned to come would no longer work. While they were there though, they were told of a small house for sale that with a little bit of work, would be suitable both for them to stay in as well as meetings on the porches. For a little over three thousand dollars they should be able to purchase it. We thank the Lord that when He opens a door...no man can shut it!

Thank you for praying for Robynn, Dani and Hannah as they travelled to and from Madagascar. We had a precious time with missionary friends in the capitol city and then most of a week with a dear missionary family in the interior. Living conditions there are a bit more challenging, but oh so many open doors. Please pray for the Burdetts and Jertbergs as they seek to evangelize the unreached Malagasy people. Pray also for Dani as she continues to seek God's direction about future missionary service in Africa.

With just about ten days of turn around time between Africa and furlough, Robynn leaves for the States on May 8th. Please pray for health, strength and safety for her trip. Though she will no doubt be homesick for Brazil, she is looking forward to seeing many of you. If any of you would like her to come by your church or just to have a visit, please feel free to contact her at robynnreno@juno.com, (301) 739-8585 or (301) 992-3519.

After many delays because of collarbone issues and the Africa trip, Hannah has started Bible and English classes in the schools. Dani, Fernanda and Ruth will be helping her this year and together they hope to be in nine fourth grade classrooms weekly. Please pray much for open hearts among the students as well as teachers and staff.

Thank you so much for your fellowship in the gospel.

Love,

The Renos in Brazil
