

July 2012 Reno Update

Dear Praying Friends,

First, we want to thank you for praying about the house situation in the interior village of Sao Luis. In the picture above you can see the house that will serve as a base for work in the three interior villages. John and Fernanda have been busy this month getting things ready to hold three weeks of VBS. Today, they start in the village of Terreirao and will hold a VBS for children in the

Bobby's big news this month is that he is a big brother!!! John and Fernanda are looking forward to the arrival of their second in February of March.

***Please pray for a healthy pregnancy for Fernanda and baby.

morning and one for adolescents in the afternoon. The week of the 16th to the 20th they will be working in Livramento and the 30th of July through the 3rd of August they will be in Sao Luis.

***Please pray much for health and safety for John, Fernanda, Bobby, Dani and Ruthelene as they work with the children and teens..

***Pray for open hearts and for the salvation of souls as they seek to give the gospel to many who have never heard.

***Pray for protection in the spiritual warfare they will face. Terreirao especially is known to have a lot of witchcraft.

Valentine's Day is June 12th in Brazil. The three young people at El Shadai Bible church planned a dinner for couples as a way to serve the couples in their church and to try to reach other couples with whom we have contact. Ten couples came and we ask that you would pray that the Lord would use the seed sown that night. One man came to the service at the school for the first time last week!

***Please pray for the salvation of Rosilene and Eudes. She has come to services for years, but has never been saved. Eudes came for the first time this past month!

Many of you will remember that we have asked prayer for Flavia a young lady that lives directly behind the Center. She attended VBS in January and then didn't come to Sunday School. A couple of weeks ago her uncle came in the Center to get a picture taken and asked Dani quite a few questions about the Center etc. The very next Sunday Flavia showed up for Sunday School with two of her cousins. Yesterday, she was back with one of her cousins. **THANK YOU FOR PRAYING!!!**

*** Robynn will be in several churches this month. Please pray for safety in travels and good health.

Hannah saw the orthopedic surgeon again last week. A recent x-ray shows progress and the doctor asked her to continue to be careful for another six weeks. Early August she will return for another evaluation to see if she is ready for physical therapy.

*** Please continue to pray for her bones to knit together and that when she is ready for physical therapy she will be able to recover range of movement.

Love in Him,

The Renos in Brazil
