

September 2012 Reno Update

Dear Praying Friends,

Thanks so much for praying for us. The Lord blessed both in the VBS in Sao Luis and the missions camp held in Hagerstown. John and family are in the interior this week hoping to hold Bible studies with contacts made during the weeks of VBS in Big Yard, Liberty and Sao Luis. Please continue to pray for the advancement of the gospel in these three villages.

Younger Group

During missions camp, Robynn had a week of classes for older children in the morning and younger children in the afternoon. At the end of the week she allowed the younger children to come as well, so we had a total of 23 children during the week. We studied about Brazil, learning some Portuguese, about a missionary couple that spent 50 years there, music (handbells), etc. The older group was able to learn some practical skills, as well as help Mark get started on a mailing to priests and nuns. The older ones studied errors in the Catholic doctrine and the younger ones studied Bible stories which refute some of the Catholic doctrines.

This past Sunday evening Dani shared with the church people that the Lord has confirmed to her heart that she should go to Madagascar as a missionary. We are thrilled for her taking this next step in obedience to His will and ask that you pray much for her as she seeks to prepare herself to go.

Hannah received a good report on her shoulder this month. Thankfully the bones are healing. She should see the surgeon one more time at the end of this month, when he hopes to release her.

Prayer Requests for September

Please pray for Robynn as she travels. Pray for health and safety. She is looking forward to seeing many of you.

Pray for Dani and Hannah as they travel to Fortaleza at the end of this month to visit with the women prisoners.

Please continue to pray for health for Fernanda and baby. They are now looking for the little one's arrival at the end of January or beginning of February.

Please pray for the salvation of Val, Marlene and Celia who are attending an evangelistic Bible study this month.

Love in Him,
