

June 2014 Update

Dear Praying Friends,

This month we are celebrating twenty years that Robynn has been a missionary! We are so thankful for her godly example and for all that the Lord has done through her these past twenty years. We thank you for your partnership with her in the work!

Robynn will be on the road for most of this month, but still has a few dates open. June 23, July 9, 13, 16, and 23. If you would like her to come by and one of these dates works for you, please contact her at robynnreno@gmail.com or 301-992-3519.

Thank you for praying for Carlos and Ruth. Ruth's foot seems to be healing well and she will have the pin removed on the 9th of June.

One more encouragement that the Lord gave us this month is another church has decided to support Dani as she prepares for Madagascar!

We continue to use the Bible correspondence lessons. Though the number of students in Salinas has greatly decreased, we are seeing them used in many other places. The older children and young adolescents at the Abelhinha school are faithfully turning in lessons each week and several are taking them to neighbors and family members too. We are using them in Jutai and John and Fernanda have been able to use them in their villages also. Please continue to pray for this ministry.

Bobby's health has been much better. Thanks so much for praying. 😊 Please pray much for John and family this month as they prepare for three weeks of VBS in the villages next month.

Please pray for Dona Justina's salvation. She is Val's mother and a very devout Catholic. She has had some serious health issues and spent over two weeks in the hospital this past month. Val has witnessed to her but Dona Justina continues to trust in her good works and Mary. Please pray much for the Lord to open this dear lady's eyes and bring her to repentance and faith in Himself!

Love,
