

# August 2014 Update

Dear Praying Friends,

Thank you for praying for us! This week John and Fernanda are in São Luis doing VBS for children in the morning and an afternoon session for teens and adults. We are so thankful that the Lord provided a young lady to help them by playing with the kids during this week. Natalia also was a help to them for the week they were in Liberty.

**We were blessed to have our cousin Rachel Reno visit us. She was able to share her testimony a number of times and was a special help with cooking, cleaning, laundry and babysitting! Last week we finished up the Daniel lessons we have been teaching in Helderlandia to the children. After the children's Bible class was over we invited any adults interested to come and hear her testimony. There were a number of excellent questions at the end and we were able to leave Bible correspondence lessons with several adults and a couple of older children. Please pray much for our follow up visit this Thursday.**

**Robynn is preparing for missions camp at Bible Brethren Church next week. Please pray for strength and wisdom for her and the other workers as well as open hearts for the children and young people.**

**We are looking forward to a visit from Ron and Linda Martin☺ Please pray for their health and safety.**

**Love,**
