

# November Reno Update

**Dear Praying Friends,**

**Thank the Lord, Bobby had his tonsils out today and the doctor was pleased with how the surgery went. He has been in quite a bit of pain today but the doctors look for that to improve in the next day or so.**

**Thanks so much for praying about the possibility of purchasing the road stand in Jutai. It has sold to another man, however we learned of another piece of property with a clay house on it. This is about three blocks from the main road and would be useful not only for work in the village of Jutai but also as a possible retreat for adolescents and adults too. With the increase of the value of the dollar we can purchase this for four hundred dollars. Pray with us as we work through the document process!**

**Just this week we received a visit from the directors of Maranatha Multicultural Mission. They have informally accepted Dani and at the end of this month we are expecting her formal acceptance into the mission. Thank you for praying with us and please continue to pray for Dani as she finishes her French studies and raises support.**

**On the 9<sup>th</sup> of November we will be celebrating the 14<sup>th</sup> anniversary of the Salinas Sunday School and now El Shadai Bible Church. Pray with us that the Lord would be honored and that we may be able to reestablish contacts with adults that once were children and adolescent students!**

**Please continue to pray for Marcello, Mateus and Gustavo's salvation! We greatly need to see some men saved and added to the El Shadai church.**

**We enjoyed a visit from our cousin Rachel this past month and we are looking forward to having our parents with us in two weeks. We are hoping that Dad will be able to preach and teach on the subject of "What is a Church".**

**Thanks so much for your prayers. Love,**
