## Reno Update

Dear Praying Friends,

As we gathered for Thanksgiving last week we were reminded of what great things the Lord has done for us.

- Dad and Mom were able to be with us for the first time at Thanksgiving.
- Roberto Paulo continues to enjoy good health. Every few days we see him changing and growing and are again reminded of the Lord's mercies.
- Hannah is back after a five month furlough.
- El-Shadai Bible church celebrated 10 years since the first Sunday School was started. We had many, many visitors in the service and also were able to reestablish some older contacts.
- Another semester is ending at Emmanuel Bible Institute. Dani is finishing her third year of five and is steadfastly pursuing missions in Africa. Several students are successfully finishing a course on how to evangelize Roman Catholics.
- Five Sunday School workers are in or ready to start Teacher Training.
- Daily health, strength, and safety have been given by our Heavenly Father.

This Sunday, December 5<sup>th</sup> Dad will be having the baby dedication service for Roberto Paulo. Pray for John and Fernanda as they seek the Lord's wisdom in raising Roberto Paulo in a godly way. Pray also that the Lord will use this to challenge our families to actively train their children in the ways of the Lord.

Mom, Dad and Roberto – the night Mom and Dad arrived here!

Please pray as John and Fernanda work to get Roberto's documents in order. He is waiting to receive his Brazilian passport which will facilitate getting his American documents. Fernanda has her Brazilian passport but will need an American visa in order for the family to come to the States for furlough in 2011.

Robynn continues to press on even in the midst of headaches. Pray for her as she wraps up the semester at the Institute, prepares for VBS and classes for the semester that will start in March.

Please pray for Hannah as she settles back into life in Brazil. She will also be getting ready for VBS and the March semester. Another special prayer request is for wisdom and guidance as she seeks to get back into some schools when the new school year starts in February.

Wishing you all a very Merry Christmas and a Happy New Year!

Love,

The Renos in Brazil
